Permission is granted to replace the above referenced Sanitary Sewer Lateral subject to the following conditions:

- The sanitary sewer lateral is to be constructed in accordance with all rules and regulations of Hatfield Township Municipal Authority (HTMA) as well as the attached guidelines for new connections which are a part of this permit.
- The applicant agrees not to backfill any trench in which any pipe or appurtenance has been installed until HTMA has inspected and approved the construction. Failure to do so shall cause the applicant to uncover the trench and the pipe laid herein and keep the trench open until HTMA has inspected and approved the completed work and/or appurtenance(s). The applicant is responsible for safe trench conditions at all times.
- Repairs replacing more than 14' of the existing sewer and/or have more than 2 joint connections will be air tested.
- Once the Sewer Connection Permit has been issued, the plumber should contact HTMA to arrange for an inspection. Inspections are performed Monday thru Friday between the hours of 8:00 a.m. – 2:00 p.m. Please call 215-822-9300 to schedule. **INSPECTIONS REQUIRE 24 HOUR ADVANCE NOTICE.**
- This permit becomes void 180 days from permit date. No additional fees will be required for a renewal.
